

NEW DISTRIBUTOR - PORTUGAL

2020-06-16

Sahlins Sweden is pleased to announce a new Partnership with Telade - Eletricidade e Telecomunicações Lda. as our exclusive distributor for Portugal.

Founded in 1997, TELADE has been consolidating his position as one of the leading importers, distributors and exporters of materials and equipment in the fields of Energy, Telecommunications, Cable Television, Gas and Industry.

We welcome TELADE to our international distributor network and look forward to a fruitful collaboration.

More information and contacts can be found on www.telade.pt

About Sahlins Sweden

Since 1969, Sahlins Sweden AB develops, manufactures and sells products and methods for cable network construction. Today, the Sahlins products are shipped worldwide for the electricity- and energy industry.
